To,
Hazzel Beauty Lounge

Dear Concern,
Greetings, Quadque Technologies Limited, is the leading IT solution provider company in Australia and now has conducted business in Bangladesh. Quadque was established in 2020 with a longstanding reputation as one of Australia's leading Software & Digital Marketing companies. The head office of the Quadque is situated in Sydney, Australia.
Now it started its business in multiple branches in Australia and Bangladesh for more active operations. The main activity of the Quadque is to provide web services, software development, digital marketing solution, and other IT solutions as the best digital partner.

Furthermore, Quadque provides a complete life cycle of software development services including system analysis, use case development, system architecture & design, system integration, web API development, UI/UX design, database design, and administration, functional and system-testing, quality assurance, and project management. Over the time of business operation, Quadque has also moved into disruptive technologies like LMS, Internet of Things (IoT), Artificial Intelligence (AI), etc. Today, Quadque is considered one of Bangladesh's renowned ICT Solution Providers and becomes an IT partner of choice for managing people, processes, and the environment.

Please feel free to contact us for any type of query at your convenient time. We look forward to your positive response very soon. "I hope this information which is given below will be helpful for you."
